School update

HEADTEACHER UPDATE

Dear Parents and Carers,

It's hard to believe we've reached the final newsletter of the academic year. In what feels like the blink of an eye, we find ourselves reflecting on another remarkable year at our school.

This year has been filled with achievements, growth, and unforgettable experiences. Across all year groups, pupils have enjoyed a wide range of trips, visits, and enriching activities that have helped shape them into more confident and curious individuals.

As we wrap up the year, we also prepare to say a few heartfelt goodbyes.

Mrs. Marya will be leaving us to take on an exciting new role at a high school, where she'll be teaching both GCSE and A-Level Math's. We are excited for her next chapter and thank her sincerely for her dedication and contributions to our school community.

We also bid farewell to Mrs. Donna Williams, a valued member of our team, and we wish her all the very best in her future endeavors. We know the pupils will miss her greatly.

The final member of staff leaving us for a well earned retirement is Mrs Wright from our office. Lots of you will know her and she had been a tremendous member of staff during her time at PMS. Lisa has consistently been a huge support to the school often behind the scenes and will be missed by so many but we wish her all of the very best as she moves on to the next chapter of her life.

To our wonderful Year 8 pupils—what a journey it's been! You've brought so much energy, kindness, and spirit to our school over the past four years. As you move on to high school, we have no doubt you'll continue to shine and make us proud.

A few important reminders as we head into the summer break:

There will be **no after-school clubs** during the final week of term.

School will finish at **1:00 PM on Friday 18th July for all pupils.**

The **PMS Hub will not be open** after school on the final day.

Before you head off for the summer, please take a moment to review our **updated uniform policy**—especially when purchasing new items. Some retailers may market trainers as school shoes, but double-check they meet our expectations before buying.

Thank you, as always, for your continued support. It truly makes a world of difference to us. Wishing you and your families a restful, joyful, and sunny summer break!

Warm regards,

Mr. Grocutt

PUPIL SUCCESS

Well done to Harriet who has had a very busy couple of months. She recently qualified for the summer regionals in both 200m backstroke and breaststroke. She also qualified for the 800m District event where she will represent Stafford and Stone and also her football team qualified for the Staffordshire league final in the shield cup. So many things to be proud of. Well done Harriet.

Alistair 6th. Great job both.

Following successes for their club swimming teams Alistair and Ellie were invited to compete in the U13 medley skins events which only the top 8 200IM are invited to. Both did really well with Ellie coming 2nd and

Well done to Isabelle in Year 6 who ran the muddy 5k at Weston Park on the 17th May and was part of a team who raised over £500 for Cancer research. The run and the obstacles were challenging but she demonstrated great perseverance and determination. Well done Isabelle.

Well done to Emily in Year 6 who recently danced at the freestyle World Championships and came away as a Worlds winner with her pairs partner Emma Lou. This is an incredible achievement and one she will always remember. Brilliant achievement Emily.

Well done to Jack and James who play for Cannock Training Wind Band who had the opportunity to perform at Birmingham Symphony Hall in June. We're very proud of the commitment and determination that they have shown and they have recently achieved their Grade 3 playing the cornet and will move to the Cannock Wind Band. Well done boys.

WHAT'S COMING UP

14 th -18 th July	NO AFTER SCHOOL CLUBS
18 th July	Final Day of term 1pm finish for all
3 rd September	Pupils return to school

Trick Box is a simple, fun and effective whole school, whole journey, emotional management and personal development programme, supporting children and young people from ages 3-18 and their families. Each week we will share a new 'trick' with pupils in school to use should they need to, so please discuss this and use at home.
