

# L'Hebdo

## *School Update*

Dear Parents/Carers,

As this is the final L'Hebdo of this academic year. We would like to thank you all for your support throughout the school year.

It has been an extremely busy year and given the circumstances of the last two academic years, we feel at PMS we have managed to get back on track. The reintroduction of clubs, trips and other activities have allowed our pupils to enjoy what PMS has to offer and continue making it a fantastic place to be.

I am pleased that Year 6 have had their SATs results today and we as a school have been delighted in the way the children have worked to earn them, despite a difficult couple of years. All pupils should feel incredibly proud of themselves and what they have managed to achieve, keeping us in line with the national picture.

The pupils' reports are also in the process of being sent out electronically. If there are any issues with you accessing your child's report then please let us know as we will be happy to provide you with a paper copy.

Next week is forecast to be incredibly warm and the school will put several contingencies in place to support pupils and staff on Monday and Tuesday. Please refer to the separate 'warm weather letter' sent out which details some of the changes we are making next week.

As per last week's L'Hebdo, please see the link to the updated uniform policy for September [HERE](#). There are some minor changes, but we are sending this information out in advance so that you are aware of these before the start of the next school year.

Over the summer it would be great if as many pupils as possible can take part in the summer reading challenge. It is a great chance to get pupils reading for pleasure so please look and get involved.

It is with great sadness that we will say goodbye to Mrs Harwood next week. She has been at PMS for more years than she would like me to share and has been a fantastic teacher to the pupils over the years. She will be sorely missed but we wish her well for the future.

We hope that you all have a fantastic summer and enjoy a well-deserved break. We look forward to seeing all pupils in school on Wednesday 7<sup>th</sup> September. Any information that you will need for the new year will be sent on 'Class Charts' throughout the summer so please keep an eye on it.

Thanks again for your continued support.

## Pupil Success

Well done to Boey in Year 6 who has had great success horse riding recently. It has been great to see and hear what she has been up to, and the rosettes were just the icing on the cake. We are delighted to share her success. Well done Boey.

Well done to all pupils who have successes over the year. We are delighted to always share pupil successes so please make sure you continue to send those through in the new year.
