School update

MR GROCUTT-HEADTEACHER

Good afternoon and welcome back to all pupils, parents and carers.

It is with pleasure that we launch the school's new Newsletter. Unlike previously, we have decided that this will be sent out monthly as this will give you the chance to see what has been happening and indeed what is coming up in the weeks ahead.

Amongst all the excitement of the return to school, there has been so much going on already:

Pupils have managed to find their way to their groups, meet their new teachers and for those completely fresh to the school, make brand-new friends. Year 5 and Year 7 completed their 'Talk the Talk' workshops as well as the whole school having their brand-new photos taken. It has been extremely pleasing to see the positivity flowing through the school during the first few days.

Obviously it was extremely sad to learn of the passing of Her Majesty. The pupils greatly enjoyed celebrating The Platinum Jubilee earlier this year and were visibly moved by the news of Queen Elizabeth's death and the enormity of this huge life and historic event. I encourage you to discuss The Queen over the coming days; the amazing life she led and the dedication she had towards her responsibility.

The new extra-curricular clubs timetable will be released with instructions next week so please look out for that.

In the meantime, please see the dates opposite for what is scheduled over the forthcoming weeks.

PUPIL SUCCESS

Well done to Emily in Year 5 who took time over the Summer to create this absolutely fantastic piece of work.

What a start to the year!

A great start to the year for Mia in Year 6 who has managed to get herself in the paper with her fellow English youth ballet members as they prepare for their production of Swan Lake on the 23rd and 24th September at the Regent Theatre. Mia is preparing so hard for this and her effort and commitment is fantastic. Well done Mia and good luck.

WHAT'S COMING UP THIS HALF TERM
