Issue #2

School update

HEADTEACHER UPDATE

Good afternoon and welcome to the October edition of our newsletter.

The past month has been full of activities and it has been wonderful to see the pupils enjoying the start to the new academic year.

Year 6 had a great visit to RAF Cosford for their 'forces in STEM' trip. Pupils were delighted with the 'freebies' on offer from the day, as well as learning about the level of engineering that goes into the working world. It is certainly a trip we will return to next year.

If you would like your child to have a lunch at school can we make a polite request that these are ordered in advance on ParentPay. Pupils who do not have this booked have to wait until the end of their lunch time to have a choice of food that is left which can lead to some disappointment. If there are any issues with this then please contact the school office.

Following a successful push from the school office, we now have all parents logged on and using ClassCharts. Please switch on notifications on your mobile phone to receive direct notification of ClassCharts activity throughout the week. All messages will come via here so it is so important that you use it to keep informed.

Finally, this week saw Mr Cole be appointed as the new Deputy Headteacher of Penkridge Middle School. After a rigorous process he was successful in obtaining the role we wish him all the best.

Have a great weekend

Mr Grocutt

PUPIL SUCCESS

Well done to all of the PMS pupils who took part in the Dene Dance Show last weekend. The effort and hardwork that pupils put into the show was clearly evident and I thoroughly enjoyed seeing pupils and parents alike at the Saturday night show as I know staff did who attended on Sunday.

Well done to Bella in Year 7 who won gold in a sea cadet district swimming competition in September.

She took part in the breaststroke competition and smashed it, taking 1st place. Great work Bella.

It's a pleasure to share these images with you of Iris in Year 5 competing for the West Midlands region at the British Gymnastics Level 5 competition on Sunday 25th September. It was a full day packed with four rotations including Floor, Beam, Bars and Vault and we're very proud of her achievements. Iris trains with Uttoxeter Gymnastics Club (and has done since she turned 3).
